NEW 2025

alive®

This is an exceptional multifunctional nutritional drink that acts collectively on key organs of the body - it has a positive effect on the intestinal tract, as it produces up to 75 % of immunity. It also acts on the liver, spleen, gallbladder and pancreas at the same time. Each shot contains fibre, ginger, vitamin D3, and **betaGLUCAN™** to strengthen and activate the immune system as well as milk thistle, dandelion root and **vitamins B and C**. It has a low glycaemic index and is therefore of benefit for diabetics.

ALCOHOL β G KILLER®

HoReCa Glass Bottle

Party DETOX legend with an unmistakable taste. ALCOHOL KILLER accelerates alcohol metabolism in average by 62 %. Scientists working for the FBI have confirmed that it really works. The positive effects of this drink have been confirmed by several clinical trials against a placebo which were performed on an empty stomach and were measured in breath, urine and blood. Tests have been carried out by an independent accredited laboratory recognized by the US Federal Court. Alcohol Killer is WIN-WIN product. Win for customer - it saves his day, win for the venue - it rises profit.

Sustainability

For our beverages we use selected ingredients from Nature,
no artificial sweeteners, no preservatives,
with short production distances and sustainable
100% recyclable packaging materials.

Still, the most important in sustainable economy is to collect
empty packaging and not to throw them in the nature.
